My Mission and Passion

- Research
- Accuracy
- Truth
- Education
- Individual rights
- United States Constitution
- Free market capitalism

History

- Investigation began in March 2009
- City of Fort Collins attempted to take control of two private trash companies

ICLEI's Mission

- Transform local government
- Pressure council members, mayors and city managers to adopt foreign policies
- Equalize income worldwide
- Control population
- Restrict capitalism, consumerism
- Eliminate market economies

Transform Local Governments?

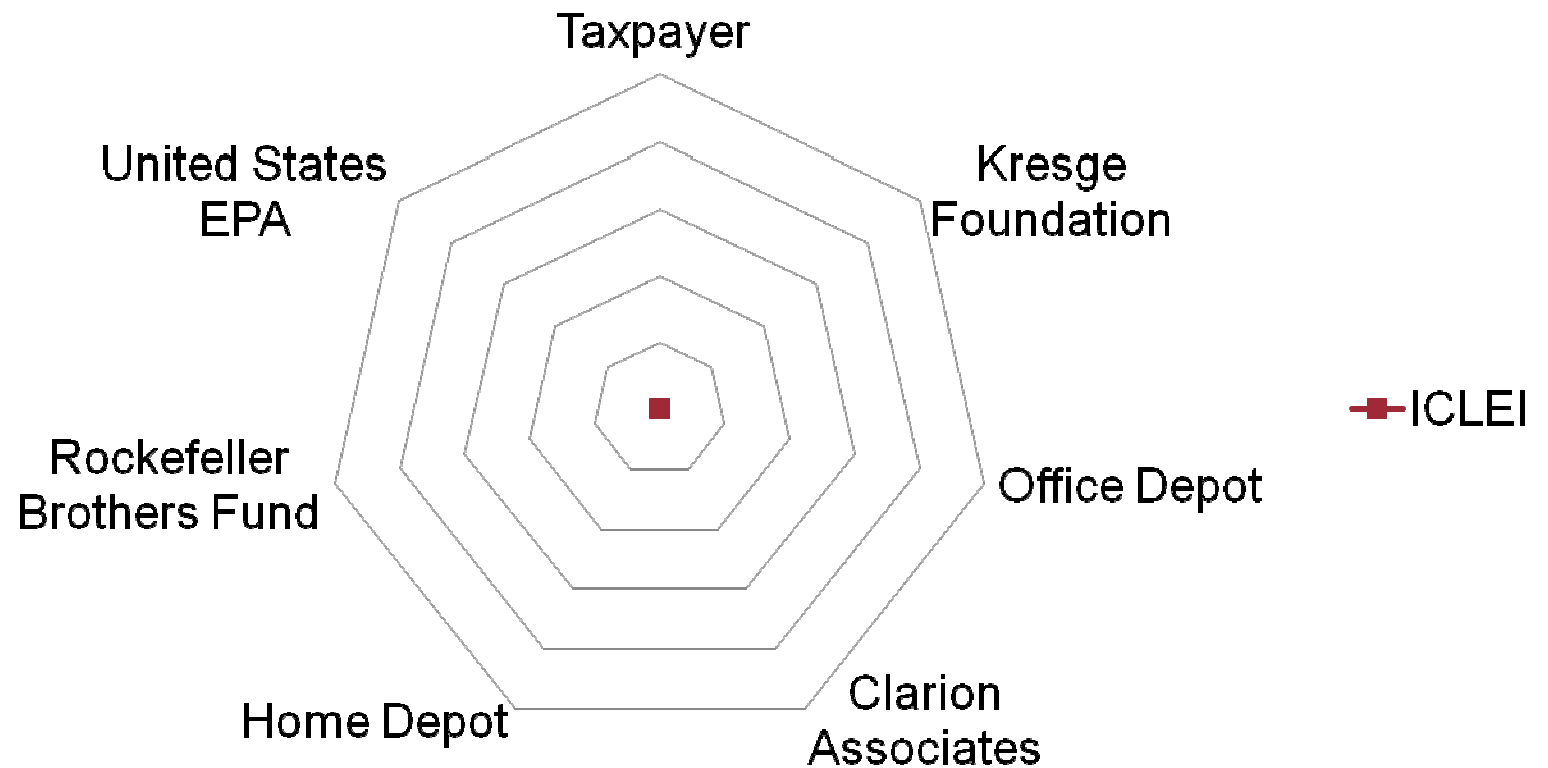

- ICLEI membership removes authority of elected officials and gives that power to city employees
- Authority in climate action plans and long-range sustainability plans
 - Allows decision-making and actions to occur without public process
 - “page 35, climate action plan, parking management”

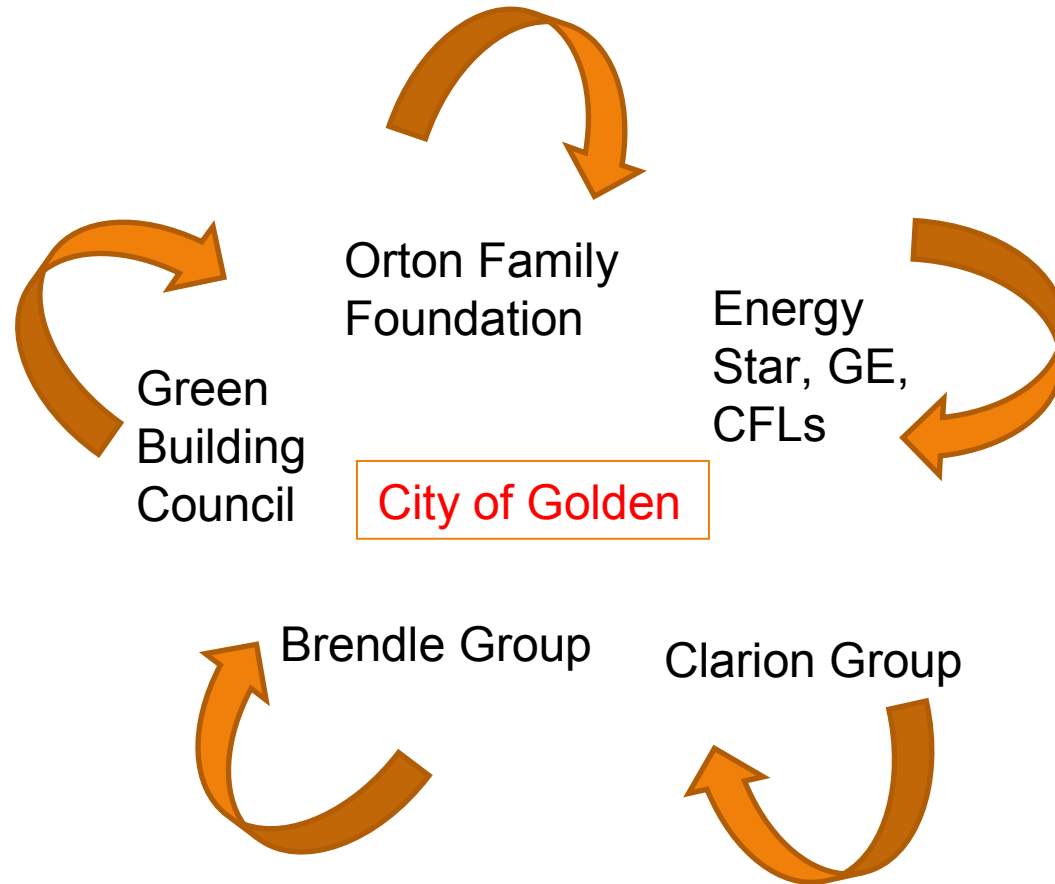

How is ICLEI Funded?

- Taxpayer money at local, state, and national levels
- Home Depot
- Office Depot
- Kresge Foundation
- Orton Family Foundation: Partnered with **Golden, Colorado**

How much is one parking space worth to nearby businesses?

Public/Private Partnerships vs. Private Sector Solutions

- Public/Private

- Breeds corruption
- Kills competition
- Time and \$ intensive
- Taxpayer \$ used

- Private Sector

- Encourages competition
- More innovation
- Less expensive
- Freedom to explore and solve problems
- Rapid process

LOCAL EXAMPLES: RMI2, New Belgium Brewery, Etc.

Global Warming Reality Check

- *Climategate*, Brian Sussman
 - Origins of global warming/climate change as tool for changing United States government
 - Marx, Engels, Lenin
 - *Silent Spring*, Rachel Carson: Mosquitoes vs. people
 - *Population Bomb*, Paul Ehrlich: Hundreds of millions of people will starve in the 1970s and 1980s

Carbon Dioxide (CO₂): Fiction

- Blamed by environmentalists as cause of warming
 - Main source of CO₂ emissions = burning of fossil fuels
 - Reason environmentalists focus on eliminating personal vehicle use

Carbon Dioxide (CO₂): Fact

- Triple CO₂ amounts and what happens to rice, wheat, barley and oats?
 - 64% yield increase
 - 38 thousands of a percent = total carbon dioxide in earth's atmosphere
 - 3% of 38 thousands of a percent generated by mankind
 - From *ClimateGate*, by Brian Sussman: Silver H. Wittwer, "Rising Carbon Dioxide is Great for Plants", *Policy Review*, Fall, 1992.

It's All Garbage!

- Recycling does not occur when you place your trash in a recycle bin at the curb.
- “Recycle” means a used product is made into another product to be used again.
- Most recycled products are more expensive due to increased steps in re-production and toxic chemical by-products.

Recycling Facts

- Glass < 30%
- Paper – newsprint
- Plastic ?
 - how much per ton
 - where does it go
 - how does it get there
 - what happens to it
- CFLs and the Environment
 - Chinese illnesses, local toxins, energy savings?

Who Belongs to ICLEI?

- Approximately 1200 local governments worldwide
- In Colorado:
 - Fort Collins (17 years)
 - Loveland (2 years)

Plus:

Arvada, Aspen, Boulder, Breckenridge, Carbondale, Denver, Durango, Gunnison County, **Golden**, LaPlata County, Lafayette, Manitou Springs, San Miguel County, Westminster, **Wheatridge**

How Many Local Governments?

- Approximately 600 in the United States
- BUT, almost 1200 Mayors in the US have signed agreements with ICLEI

ICLEI's Cool Mayor Club

- John Hickenlooper, Denver
 - Signed United Nations climate protection agreement
 - Named “World Mayor” for his work on global warming
 - Candidate for Governor

How Does ICLEI Affect You?

- Loss of individual rights
 - “Unauthorized home occupant”
- Loss of personal choice
 - “Unauthorized trash bags”
- Cost of living increases due to green/sustainable mandates

How Does ICLEI Affect Business?

- Pressure from city government
- Climate Wise
- Pressure from local environmental groups
- Result:
 - Increases cost of doing business
 - Increases cost to customers

Business Damage

- Creates unfair advantages through public/private partnerships
 - Favored relationships with City officials
- Competition is restricted or eliminated
- Taxpayer money used for private businesses
- WHISKEY CREEK Restaurant vs. Be Local

Business Examples

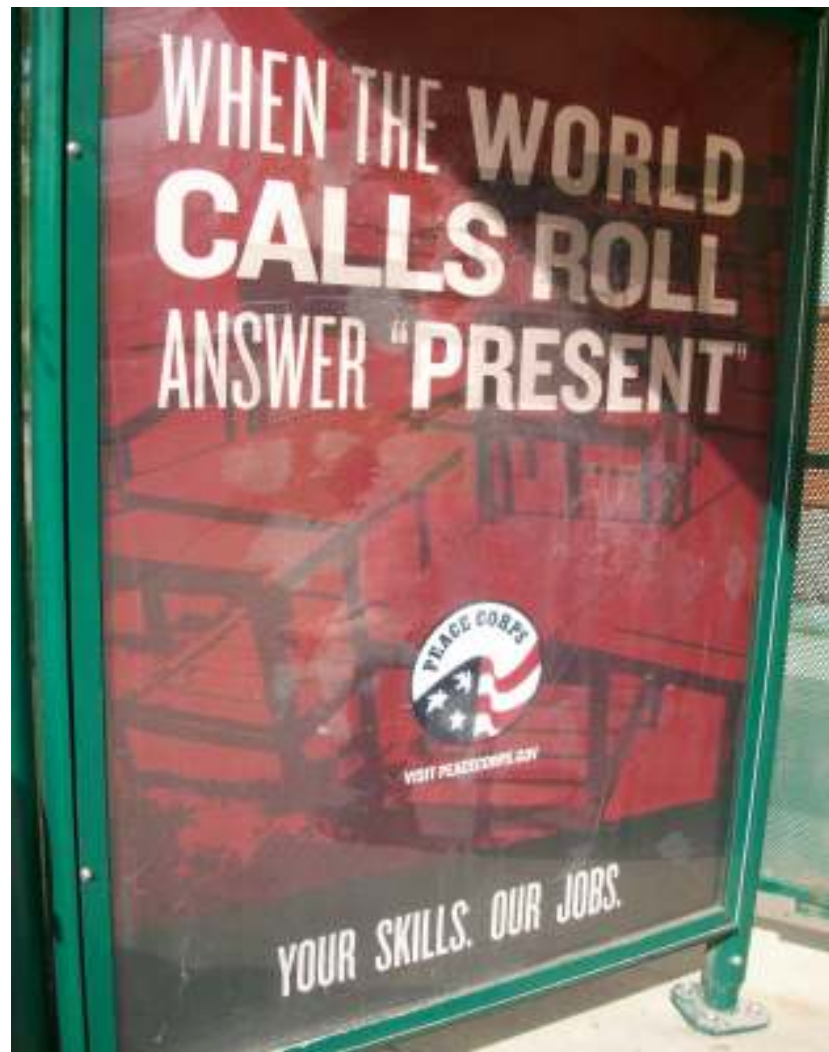

- Trash
- Restaurants: pressure to change operations and pressure prevented new business
- Bicycle Shops: City owned bikes damage privately owned
- Breweries

Social Engineering: Your skills. Our Jobs.

Message: You need the government to help you make money.

City of Loveland ICLEI Facts

- Keith Reester, Public Works Director
 - Joined ICLEI two years ago
 - Taxpayer \$ used for dues
 - Purpose: to access ICLEI's toolkits
 - Received federal stimulus money because of ICLEI membership
 - LEED Library expansion
 - Currently reviewing 60 sustainability plans from across US
 - Developing document to present to Council
 - Summer "community conversations" planned

ICLEI and City Budgets

Triple Bottom Line Budgeting

Triple Bottom Line Budgeting

- Society + Environment + Economy = Triple bottom line
- The City of Fort Collins uses ICLEI's "triple bottom line" formula
- Economic factors are not the priority when budgeting
- Sustainability is the goal, regardless of cost

Follow the Money, Find the Priority

- \$4,000,000 in rebates for appliances
- \$600,000 for bicycle coordinator, bicycles, bicycle education
- \$2,000 per mile to clear snow from trails

- No money for road repair, police, fire
- City asking for sales tax increase

Loveland Reporter-Herald (4) vs. Fort Collins Coloradoan (7)

- Monday, April 26, 2010
 - *Reporter-Herald*, page A3: Survey to aid plan for transportation
 - “Among the options for increased efficiency would be the use of transit, car pooling, and alternative methods of transportation such as bicycling and telecommuting.”

INDIVIDUAL RIGHTS?**

More or Less Individual Rights?

- Transportation
- Energy
- Income Re-distribution
- Development

Why a Sales Tax Increase?

- ICLEI's mandates are economically unsustainable
- 73% of Plan FC workshop attendees voted to "live beyond financial means" to achieve "sustainable" goals

WHAT IS THE DEFINITION OF SUSTAINABILITY?

Clarion Associates and the Brendle Group

- ICLEI Consulting Company
 - Brendle Group, ICLEI Consulting Company
- Paid by City of Fort Collins to “Plan Fort Collins”
- Plan Fort Collins is ICLEI/Local Agenda 21
- What did Ben Herman say?

Now What?

- Call your mayor, council members and city manager
- Read city council agendas
- Watch the newspaper for environmental articles
- Form a group committed to removing ICLEI from your local government
- Elect candidates with strength to say no
- Recall elected council members

Why Recall?

- Violating Oath of Office by serving foreign goals in direct opposition to United States Constitution
- Budget: current and upcoming
- Sales Tax Increase
- Plan Fort Collins

Why Recall? Clarion Associates
