

David Rockefeller's 1991 Bilderberg Quote...

Quote:

“We are grateful to *The Washington Post*, *The New York Times*, *TIME Magazine* and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years.”

He went on to explain:

“It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is now more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries.”

- David Rockefeller, Speaking at the June, 1991 Bilderberg meeting in Baden, Germany (a meeting also attended by then-Governor Bill Clinton and by Dan Quayle)**
